GYPSUM

Inciso è un gres porcellanato di manifattura artigianale che trae ispirazione dalla superficie di una pietra scalpellata ed usurata dal trascorrere del tempo.

Inciso is a porcelain biscuit tile with decorative handmade characteristics. It takes inspiration from the surface of chiseled stone, scratched and worn by the passage of time.

La successiva stesura di cristalline liquide crea una profondità di dettagli ed un riverbero luminoso dal forte contenuto decorativo.

The subsequent application of liquid glazes on top creates a depth of detail and shading effects that give a unique intensity of color and brightness, with a strong decorative impact.
